

## YOU ASKED FOR IT

### These features desired by Members of Kingdom Advisors:

- A National Organization of Advisors who band together to work with Christian Organizations (Para Church Ministries, Churches, Christian Colleges, Universities, and Seminaries).
- A process for selecting Advisors to help assure their Character, Competency and Credibility in order to help keep Christian Organizations, Donors and Advisors “safe” and to provide confidence to Christian Organizations as they consider referrals of their Donors.
- A transferable and holistic Client Process synergizing existing planning models with Principles of Biblical Stewardship, to increase practice revenue, charitable giving, and the Advisor’s Kingdom Impact.
- A program to train and equip Advisors to assure the competence of those working with Christian Organizations and to expand the number of Advisors working in this field.
- Standards and Protocols to govern the work of Advisors with both the Christian Organizations and their Donors in order to keep Advisors “above reproach” and to keep Christian Organizations and their Donors “safe”.

## CHECK

### Features in place at TSA, operating with integrity and the Blessing of God:

- A National Organization of Advisors banded together to work with Christian Organizations (Para Church Ministries, Churches, Christian Colleges, Universities, and Seminaries).
- An application and membership process that selects Advisors on the basis of Character, Competency and Credibility providing due care for the safety of Christian Organizations, Donors, and TSA Advisors.
- A transferable and holistic Client Process (Life♥Stewardship Coaching™) facilitating the work of Advisors with their Clients and referred Donors in the context of Biblical Stewardship to increase practice revenue, charitable giving, and the Advisor’s Kingdom Impact.
- The Life♥Stewardship Institute™ providing exceptional and comprehensive training (and mentoring) for Christian Advisors, through a Faculty “Dream Team” assuring the competence of those working with Christian Organizations and expanding the number of Advisors in the field.
- Core Values, Standards of Conduct and Operating Protocols, based on Biblical principles, keeping Advisors “above reproach” and Christian Organizations and their Donors “safe”.
- Presentations and service packages to provide unique services that Christian Organizations recognize as desirable and effective, although not offered by others in the market space, with accompanying agreements that engage and govern the work of Advisors with Christian Organizations and their Donors.
- God has blessed the TSA organization and TSA Advisors with a track record of integrity that honors Him.
- Soli Deo Gloria.
